***Congratulations to our graduating Senior!!!  
Magen Beaudet***

*Magen,*

*We did it!! We completed your senior dance season!  
This is truly a dance year we will never forget and I  
can't believe the time has finally come for you to dance  
on much bigger stages. I have watched you grow into a  
strong, talented, responsible, beautiful young woman.  
I'm honored you want to continue your dance journey  
here at MDA, as this is your home as much as it is mine.*

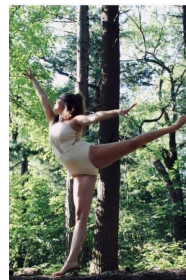

*You have brought so much happiness to me and the  
dancers who look up to you over the years, and I know  
you will continue to have a strong impact in all of our  
lives. I'm so proud of you. Keep dreaming big and  
always remember to believe in yourself.*

*Love you so much <3  
Love, Miss Amanda (Miss M)*

*"Whenever one door closes I hope one more opens  
Promise me that you'll give faith a fighting chance  
And when you get the choice to sit it out or dance  
I hope you dance"*

**“You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose. You're on your own. And you know what you know. And YOU are the one who'll decide where to go...”**

*Oh, The Places You'll Go, by Dr. Seuss is one of my favorite books because I love the meaningful message about the importance of seizing new opportunities, keeping an open-mind, and trying new things. Life is certainly jam-packed with unexpected twists and turns, but the excitement and craziness of these experiences is what makes life special and creates long lasting memories, which is what this year and this show is all about.*

*To our dancers,*

*We did it! Your dedication and hard-work this past year is something that is overwhelming to look back on. During a time when it would have been easy to give up, you kept going. As you walked back through our studio doors at the beginning of this summer, you adjusted to our new guidelines and kept a smile on your face, filling the space with your happiness and laughter. I love what I do because of each and every one of you, and that is what has kept me going this past year. Thank you for loving dance so much. Your teachers and I could not be more proud of you.*

*To our staff,*

*There are not enough words or ways for me to express to all of you how grateful I am that you stuck this season out with me and our dancers. You are all so amazing and the studio is so lucky to have each of you. Thank you from the bottom of my heart.*

*Thank you to everyone who was part of the studio this year in one way or another. All of your cooperation, and support is appreciated. This will definitely be a dance year to remember.*

*Thank you to my Dad ( as always, I couldn't do this without you), Mom, my Grandparents, & Scott.*

*xoxo*

*Miss Amanda*
